

# Electronic Standards Development

Bringing ASTM International to the World

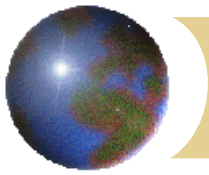

# *Global Participation*

- ✚ Made easy through use of the World Wide Web
- ✚ No travel restrictions
- ✚ No time delays
- ✚ Access to information 24 hours per day, 7 days per week, 365 days per year

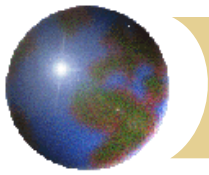

# *Opportunity to Participate*

- ✚ Interactive Standards Development Forums
- ✚ Electronic Balloting
- ✚ Virtual Meetings

# *Interactive Standards Development Forums*

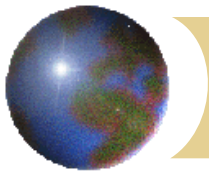

- ✚ Approximately 300 currently active:
  - ▣ Small number of technical experts
  - ▣ Password access to a posted document
  - ▣ Ability to post & review comments
  - ▣ Group and/or individual email capability

# *Electronic Balloting*

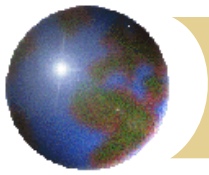

## ✚ Scope of Activity:

- ▣ 354 ballots
- ▣ 1920 items
- ▣ 34,493 members

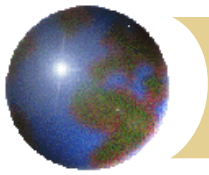

# *Electronic Balloting*

- ✚ Email notification that ballots are open
- ✚ Email reminders if no vote received
- ✚ Password access to ballot
- ✚ Ability to view & save ballot items
- ✚ Electronic submission of votes
- ✚ Electronic confirmation of receipt

# *Virtual Meetings*

- ✚ Combination of telephone and Web conferencing
- ✚ Allows attendees to be connected by sight and sound

- Standards Development Forums, Electronic Balloting, and Virtual Meetings are located on the ASTM International website.
